Welcome to Curves! Using the information provided above, we will verify that your insurance covers your health club membership. You may begin to use the facilities while we confirm this coverage, and your key tag will be issued once confirmation is received. Note while most insurance companies pay Curves directly, some will reimburse you instead; we will inform you of your plan's payment option. Also, you must come to Curves at least once a month for your insurance to cover the cost, but we hope you come at least 3 days a week to gain the full benefit of Curves. We truly are delighted you have chosen Curves to get healthier and we will do everything we can to help you reach your health and fitness goals!!
